

DEPENDANTS FUND GAME

WYCOMBE Wanderers are hoping for a large crowd at Loakes Park tonight (Tuesday) when they take on Oxford United from the Third Division in a friendly (7.30 pm).

The match is being staged to raise funds for the Peter Houseman Dependents Fund which was set up after the Oxford player and his wife were tragically killed in a car crash earlier in the year.

Several matches have already been played throughout the country for this worthy cause and Wanderers are hoping to field a number of guests in their side against United.

There are certainly several

places to fill as regular players Mick Holifield, Bob Davies, Keith Mead and Ian Pearson are all playing elsewhere in representative games. Mick and Bob are on tour with Middlesex Wanderers in Amsterdam while Keith and Ian have flown out to Italy with Brian Lee who is in charge of an England semi-professional XI against the Italians.

Oxford, who finished the season in the lower regions of Division Three, are likely to field a strong side for the game.

On Friday Wanderers stage their final game of the season when they entertain Northern Premier League side Gateshead in a friendly.
